

Name: **Monica Brady**
Local: **Kitimat**

When did you start with Special Olympics and how did you get involved?

I started ten years ago when I was taking some clients to the bowling program and I have been volunteering ever since.

What is your most memorable Special Olympics experience?

My most memorable moment was attending Provincial Games in Kelowna and Championships in Surrey. It was amazing to meet the athletes and attend opening ceremonies. There was lots of enthusiasm and nervous energy.

What would you like people to know about you?

I'm not sure, too much to tell in a profile! :)

What volunteer positions do you hold?

I am the Volunteer Coordinator, Program Volunteer for Bowling, Head Coach for Curling and, when the pool is repaired, Program Volunteer for Swimming.
