

SPECIAL OLYMPICS BC - Figure Skating Criteria for Sanctioning of Competition

Due to the unique nature of the sport of Figure Skating it is recommended that locals wishing to host a regional qualifier approach a well established generic competition with the intention of hosting a joint event. The rationale for this approach is multi-faceted including but not limited to the following:

1. The low athlete numbers experienced by the sport of Figure Skating within Special Olympics BC makes it difficult for any one (1) region to host a quality competitive opportunity for athletes and coaches. As such it is in the best interests of athletes and coaches to host joint events for the purposes of qualifying for Provincial Games.
2. The resources necessary to host a quality Figure Skating competition are extensive, i.e. Ice Time and Certified Officials. By building a partnership with a well established generic competition and/or generic club your access to these resources will be enhanced.

SPORT RULES

Refer to SOC Sport Rules and SOBC Exceptions to the SOC Sport Rules (if applicable). Rules can be found on the Special Olympics BC website www.specialolympics.bc.ca at
