

Special Olympics BC CLASSIC

Changing lives through the power of sport

New look – same premium experience and same life-changing impact for people with intellectual disabilities throughout our province!

The annual golf tournament that makes a difference for athletes with intellectual disabilities is now known as the **Special Olympics BC Classic**. While it's sporting a new name, the tournament remains committed to giving supporters the finest on-course experience and the chance to change lives through the power and joy of sport.

The 2022 Special Olympics BC Classic will tee off on June 21 at Mayfair Lakes Golf & Country Club.

Special Olympics BC volunteers, athletes, and supporters across the province are working hard to reopen in-person programs with strong safety protocols in place. But we're only a third of the way back to our usual capacity to change lives.

The pandemic has had a long-lasting, far-reaching impact on athletes with intellectual disabilities, who were already far too familiar with the pain of isolation. More than ever, we need your support to rebuild all our year-round, in-person sport programs that create empowering connections, open hearts and minds to inclusion, and break down barriers. The 2022 Special Olympics BC Classic will be your opportunity to support the athletes who rely on Special Olympics for sport, health, skill building, and most of all, friendships.

We are so grateful for your generous support, which matters so much in these unique times. Attached, please find a donation form to help the auction accurately recognize your item and organization.
